

PRODUCT DIRECTIONS:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS FOR USE:

Direct Application: Apply shampoo to wet hair working up a rich lather. Rinse. Shampoo again if necessary. Rinse and remove excess water with a dry cloth or towel. Shampoo may be diluted in a bucket, 1:10 with water.

Dilution Application: Add 1-2 oz of shampoo in a gallon bucket and fill with water at preferred temperature. Lather with a sponge and apply to the animal. Use a clean wet sponge to wash the suds away.

CLEANS AND MOISTURIZES WITH A FRESH SCENT!

Pyranha Aloe Pro Concentrated Shampoo is an all-purpose blended concentrated shampoo that has been formulated to moisturize hair and add shine. This product formula contains natural Aloe Vera along with additional multi vitamin blends which have been incorporated to protect hair and add shine.

This product has a refreshing fragrance. For use on horses, cattle, llamas, sheep, goats, dogs, cats, and ferrets. Concentrated Shampoo with Aloe is professionally formulated to cleanse and condition the hair. Enriched with Vitamins A, D and E this all-purpose shampoo moisturizes hair, while adding body and a healthy, lustrous shine. Aloe Vera offers protection for minor cuts, scrapes or irritation.
